

Patriot Technologies Earns 2010 All-Star Channel Partner Award from Websense

Leader in Content Security Recognizes Patriot Technologies as a Top-performing Channel Partner

Frederick, MD January 26, 2010 — Patriot Technologies has been named a 2010 All-Star Channel Partner by Websense, Inc., a global leader in integrated [Web](#), [data](#) and [email](#) security solutions. The prestigious honor, which recognizes Patriot Technologies for being a top performer in the Websense® ChannelConnect Partner Program, was presented by the Websense executive team during the company's 2010 North American Channel Partners Conference which took place January 20 – 22 in Coronado, Calif.

“We are thrilled to honor Patriot Technologies and applaud their success as a Websense channel partner,” said Erin Malone, senior director, Channel Sales, Websense. “Despite a challenging economy, Patriot Technologies grew their Websense business and continued to prosper as one of our top-performing channel partners.”

The winners of the 2010 Websense All-Star Partner Awards were evaluated on a variety of criteria including achievements against measurable objectives such as overall annual sales billings, year-over-year growth, technical and sales excellence, product competencies, newcomer of the year, percentage of new business earned between January 1, 2009 and December 31, 2009, as well as their overall commitment to Websense.

About Websense, Inc.

Websense, Inc., a global leader in integrated Web, data and email security solutions, provides Essential Information Protection(TM) for approximately 40,000 customers worldwide. Distributed through its global network of channel partners, Websense software and hosted security solutions help organizations block malicious code, prevent the loss of confidential information and enforce Internet use and security policies.
